THINGS TO KNOW BEFORE YOU GO...

Pre-Travel Checklist: Your House

- Water your houseplants/garden plants
- Inspect your yard.
- Clear the fridge and pantry.
- Take care of your pets.
- Contact your alarm company.
- Set a timer for your lights.
- Notify your credit card companies of your travel plans.
- Share your travel plans and a house key with a trusted neighbor or friend.
- Program your thermostat.
- Turn off your water heater or set it to the minimum temperature.

Pre-Travel Checklist: Trip Essentials

- Check your prescriptions. Do you have enough prescription medication to last for your entire trip (plus a little extra, just in case)?
- Double-check your boarding passes and itinerary.
- Check travel requirements for your destination. If your destination country requires certain vaccinations, visas, an arrival tax, or a specific number of free pages in your passport, you want to know that *before* you leave.
- Put your passport in a safe place.
- Print all your travel info/documents.
