2-hour private walking tour of Geneva highlights:

Geneva, as you do not know it ... yet. Discover the Old Town of Geneva, the largest historical site in Switzerland, dominated by St. Peter's Cathedral, otherwise known as the "Mecca" of the Reformation with the eyes of a professional guide. Explore its narrow streets leading you to charming terraces. Every street corner holds secret stories and historical treasures that will be revealed to you by your guide. In an exceptional setting surrounded by greenery, enjoy the Wall of the Reformers, a monumental homage to the historical figures who made Geneva the "Protestant Rome".

Philippe Stern's passion for timepieces resulted in the opening in 2001 of a "Temple to watchmaking": The Patek Philippe Museum.

Private Patek Phillip Museum visit :

Located in an entirely restored Art Deco building in the area of Plainpalais in Geneva, the museum houses over five centuries of watchmaking history into two important collections: the extraordinary antique collection starting from the 16th century, which includes the earliest watch ever made and the Patek Philippe collection from 1839 onwards.

The latter bears testament to more than 175 years of manufacturing the world's finest watches and includes the most complicated timepiece ever made, the Caliber 89. The Patek Philippe Museum is a logical and faithful conclusion to a true legacy of genius.

Includes: 4-hours private transportation with car at disposal, 2-hour walking tour with private English-speaking guide, private tour of the museum and entrance fees tickets. Lunch is NOT included.

More Important Information

ADDITIONAL TAX INFORMATION: Various city councils in Europe have introduced a new accommodation/city tax to generate additional revenue for the improvement of services and infrastructure offered to the tourist. New cities are constantly adopting these measures and the amount of the tax varies from country to country and city to city.

The amount of the tax is based on the cost and number of stars of the hotel (from 3 Euros per person per day for a 3* hotel to possibly 10 Euros per person per day for a 5* property.)

Although our packages include the European VAT (Value Added Tax), this accommodation tax is to be paid by the GUEST directly to the hotel before the end of the stay and cannot be prepaid. It is then remitted directly to the city council by the hotels.

TRANSFER INSTRUCTIONS & LUGGAGE RESTRICTIONS:

- If you are having difficulty locating the driver, then please call the number(s) noted on the itinerary for the local Supplier.
- Leaving your pick-up location without notifying the Local Supplier will result in a "No-Show" charge.
- Transfer vehicles can accommodate 1 suitcase and 1 small carry-on bag per person.
- Any excess luggage is subject to space availability. Additional costs may result and will be the sole responsibility of the traveler.

INSURANCE:

If you have purchased the optional insurance, please visit [Allianz](#) for a full description of coverage, terms and conditions for insurance.
